

# Hydration Accessible to Everyone

## Easy Access Panel

for: Extra I-Tap, Extra C-Tap, Top Pro

- Easy Access Panel is a control unit that can be positioned at a low height, e.g., for wheelchair users
- Helps create a barrier-free environment and meet inclusion and anti-discrimination requirements
- Ideal for e.g., public-sector buildings, hospitals or offices
- Two installation options: Angled or flat (on countertop, on cabinet)
